

EUGENE ALBULESCU

Discography

"Albulescu plays Liszt" (MANU 1446) ODE/BMG Classics

Award-winning recording, featuring Liszt's B Minor Sonata, The Legend of St. Francis Walking on the Waters, La Campanella, Four late pieces, as well as the Faust Opera Paraphrase.

"As is evident from these CDs, he is a first rate pianist with strong fingers and a strong interpretive perspective as well. From the torrential account of the Second Legend that opens the disc to the bear hug of the Faust Waltz that closes it, these are majestic performances, with rich colors and (partly because of Albulescu's powerful left hand) plenty of weight... All in all, a pianist to watch."
